Market

Our receipts were good for the season, and ur sales this week were about 800 hogsheads. We have, with a lower temperature, obtained, and there were but few rejections The general quality of the breaks was poor, but there was a moderate showing of Tobaccus of the better class, which brought extremely full prices. The receipts in our market this season will be greater than any previous year, and will probably not much kets and Tin Fruit Cans at Cooke's. fall short of 25,000 hogsheads. The crop in the field is clear of grass we suppose by this time. It should be constantly worked, when the first rain will make it grow off rapidly.
